Orphans of the Storm

Fill your home with love and kisses this Valentine's Day by adopting a best friend. Stop by First Bank of Highland Park throughout the month of February to view photos of dogs and cats that are patiently waiting to be adopted through Orphans of the Storm. Every year, Orphans takes in, cares for, and finds warm and loving homes for thousands of orphaned, abandoned, abused or neglected dogs and cats. Please help Orphans by bringing item(s) from their Wish List to FBHP this month. Or best of all, consider adopting a friend for life!
