

First Bank of Highland Park

Where Community is First!

Highland Park Library

Do you know a child who “made an investment in their future” by participating in the Highland Park Public Library’s Summer Reading Program? Stop by First Bank of Highland Park throughout August to see all of the certificates proudly awarded to the many children who joined the program. The Library offers great books and much more: you can hear a story, use a 3-D printer, play chess and other games (yes, Minecraft!) or learn to code your own video game, visit with gerbils, or (if you’re a grown-up) take a workshop on money management. Visit the Library’s website anytime to download movies, television shows, music, e-books, magazines, and comics and learn about upcoming events.
