Bridge to Success

Stop by First Bank of Highland Park throughout January to see how Bridge to Success is enhancing employment opportunities for at-risk, low/no-income adults by providing high-end interview and workplace appropriate clothing, coupled with a personal stylist and coaching, to build self-confidence through appearance, interview preparation and sense of belonging at the workplace.

Throughout the month of January, you can help support Bridge to Success as with every “Like” of First Bank of Highland Park’s Facebook page, FBHP will donate \$2 (up to \$250). Donations of new/gently used business attire (women or men, all sizes) are being collected in the bank’s lobby. In addition, please consider one of the many flexible and fun volunteer opportunities Bridge to Success offers, ranging from client stylist to helping at their Bottomline Resale Boutique.
