

IMPORTANT INFORMATION

In Case of Errors or Questions about Your Electronic Transactions (For Consumer Accounts)

Telephone us at 847-272-1300 or write us at 633 Skokie Blvd, Northbrook, IL 60062, Attn. Deposit Operations Department, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1) Tell us your name and account number (if any).
- 2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
- 3) Tell us the date and dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error; so that you will have use of the money during the time it takes us to complete our investigation.

Information Regarding Your Visa®-Branded Debit Card

Non-Visa® Debit Transactions Processing. We have enabled non-Visa® debit transaction processing. This means you may use your Visa®-branded debit card ("card") on a PIN-Debit Network* (a non-Visa® network) without using a PIN. The non-Visa® debit network(s) for which such transactions are enabled are MoneyPass and STAR® Networks.

Examples of the types of actions that you may be required to make to initiate a Visa® transaction on your "card" include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal. Examples of types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa® transactions are not applicable to non-Visa® transactions. For example, the additional limits on liability (sometimes referred to as Visa's® zero-liability program) and the streamlined error resolution procedures offered on Visa® debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

*Visa® Rules generally define *PIN-Debit Network* as a non-Visa® network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.
