

# **First Bank of Highland Park**

Dear Valued Client and Business Owner:

This letter is to provide an update regarding the recent developments pertaining to the **Paycheck Protection Program (PPP)** loans for businesses. Last night, the SBA and Department of the Treasury released information including the application process for the relief loans. The first day the loan can be applied for is Friday, April 3<sup>rd</sup>. **We anticipate being able to accept applications beginning this Friday for current clients only.**

We have a deep desire to meet your needs however, the information being released is new to all of us and we are actively reviewing the details and requirements associated with this relief loan program. We kindly ask for your patience as we work together to provide relief loans for your business through this new application process.

We have added a page to our website that houses information and resources available to you in one central location. This webpage will include the links below regarding the Paycheck Protection Program in addition to other potentially beneficial programs. We will regularly update the website as information becomes available to us. We highly encourage you to check it often. <https://www.firstbankhp.com/Small-Business-Relief>

As you know, information is changing by the hour and we are committed to helping our clients take on the challenges brought on by this pandemic. We ask that you **please communicate with your banker**, follow us on LinkedIn and check our website often for updated information.

Sincerely,

Eric Ephraim | President & COO
