LETTER *from the* CHIEF EXECUTIVE OFFICER

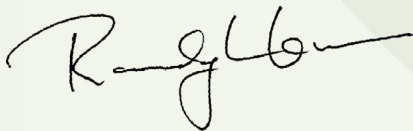

First Bank Chicago prides itself in giving back to the community. We are an independently owned community bank that derives our sources of funds from, and lends money to, our community. It's the way banking should be.

We firmly believe that it is our duty as a responsible corporate citizen to support our local community on many different levels. We share in your vision to shape, define and strengthen our community.

We embrace our motto "Where Community is First" by contributing over \$1.8 million since 2017 to local non-profits as well as supporting and encouraging our employees to take active community service roles.

We are privileged to support the community that has helped us grow to become one of the largest banks headquartered in the Chicago metropolitan area.

With friendly regards,
